

Matteo Nasini

Matteo Nasini was born in Rome in 1976. He lives and works in Rome. In 2002 Nasini received a Degree in Double Bass at Conservatorio di Santa Cecilia, Rome. Until 2008 Nasini was a member of Orchestra Luigi Cherubini directed by Riccardo Muti, he also had further collaborations with Jurij Temirkanov, Rudolf Barshai, Krzysztof Penderecki and Placido Domingo. The research of Matteo Nasini starts from sound study, to take physical shapes deeply examining and observing the sound and plastic substance's surface. This leads to a practice that methodologically develops in sound installations, performances, textile and sculptural works.
